**If any of you would like to contact me you can email me at [mttministries@aol.com](mailto:mttministries@aol.com). I will have my cell phone but calls are very expensive to receive from the states. I will be letting the team call home using a calling card from time to time. Probably on Christmas and News Years day. Please be aware that there is 1 hour difference in time zone, which doesn't always make it convenient either way to call depending on your time zone. We will do our best to communicate with you as much as possible.**

**I will be posting pictures and reports on our web page at [www.mttministries.org](http://www.mttministries.org) under the Antigua the team.**

**If you want to write emails to your sons or daughters please write them to [MTTministries@aol.com](mailto:MTTministries@aol.com) and put you're Son or Daughters name in the subject line. We do this for convenience sake because we don't always time for everyone to be writing. Time is my worst enemy 😊**

**We appreciate your cooperation with us on this matter.  
God Bless and pray for souls,  
Bro Landis**
